

Welcome to the online launch of the RWM Research Support Office

18 September 2020

Workshop Wrap Up and Closing Remarks

Workshop next steps

- We will collate the workshop outputs and share these amongst all workshop attendees
- We will use this information to help develop a RWM RSO funding call in the area of Gas Generation and Gas Migration
- There is space to add any further comments in the feedback survey
- Thank you for your contributions!

- Thank you so much for participating in this launch workshop and for your active engagement
- Has been a novel format – very grateful for any feedback
<https://apps.mhs.manchester.ac.uk/surveys/TakeSurvey.aspx?SurveyID=92K1478LM>
- A lot of information gathered for RSO Core Team to reflect on
 - From ‘chat’ comments
 - Workshop outputs
- Will publish Summary and presentations on RSO website

RSO next steps

- We had fantastic feedback and comments on this year's PhD call yesterday that we are taking on board
- The PhD call will be released later this year
- The discipline leads call is open until 11th October
 - Environmental Science
 - Applied Mathematics
 - Public Communication of Science
- Get in touch about any areas of research that could be a focus of future project calls
- Keep an eye on our website for more information:

Closing remarks

This significant investment in GDF research will create many fantastic opportunities over the next 5 years

We're very pleased to see so much interest from the community and look forward to building on this in the future

Thank you for your support and contributions
